President's Report

Welcome to all our new members. I hope you find your training with us both successful and enjoyable.

I was away on an African Safari for a large part of last term. A big thank you to the committee who not only managed the weekly activities but also ran a successful agility trial. Thanks also go to the members who helped at the trial.

The weather is starting to warm up now so make sure you always have water for your dog with you in the car. You never know when you could be delayed or your car breaks down, and of course, never leave your dog in the car during the day. It only takes a very short time for your dog to become distressed and even die.

At the end of this term we will hold a Christmas party for you and your dog. Please fill in the relevant form so we know the numbers for catering etc. This will be a free event for Club members and their immediate family.

Members that have gained titles with their dogs this year, please fill in the relevant form.

You will also find a form for committee nominations. If you feel you have something to offer or would like to be involved in running the Club please nominate for the committee. New members and new blood are always welcome.

Happy Training
Jan

Doggy Etiquette

Please ensure you have full control of your dog at all times. Like humans, dogs need their personal space. Please check with other handlers before letting your dog approach another. Some timid dogs can be greatly stressed when boisterous dogs approach, sometimes causing aggression. Some of our dogs are still learning to be nice to each other and progress can be hindered after an unpleasant encounter. You may see a yellow ribbon or scarf used to indicate a very timid dog.
